Lulworth Cove and Durdle Door Study Day

Aimed primarily at Key Stage 2, Key stage 3 and older youth groups, we will be offering groups the chance to enjoy an educational day off site, led by our team of qualified instructors.

The day will consist of an 8.30 departure from site (although we suggest day visitors meet us there) followed by a journey of approximately 1 hour (traffic dependent) to reach Lulworth Cove.

On arrival the group will receive a safety briefing and overview of the area, before undertaking some group work on the geological features in and around Lulworth Cove and Stair Hole.

After lunch the group will walk to Durdle Door using a photo based scavenger hunt, where they will study Durdle Door and Old Man of War Bay. Followed (weather dependent) by a relaxing paddle around the bay, before heading back to the bus for the journey home, where groups will be back in time for dinner.

Transport can also be provided at an additional cost, please ask us for more details.
