Activity Medical Form

Group Name:	**Visit Dates:**
Booking Reference:	**Accommodation Type:**

If your group are taking part in our instructed activities, it is essential that we receive your medical form. Without this we cannot allow anyone to take part. Please complete one form per sub group. This form must show all guests in your group

Please note activity sessions may involve various degrees of physical exertion and/or contact with other people and equipment and that your group accept this before taking part.

Some activities have upper/lower weight limits based around the safety equipment manufacturer's recommendations. We ask that those with young people under 8 years and those with participants over 102kg/16 stone contact us prior to booking to discuss the suitability of certain activities.

Name	Age (if 26+ please write Adult)	Height in CM (Only required for led Mountain Biking)	Swimming Ability (Required for water activities)	Relevant Medical information
