† ***All Activities-*** *Please note activity sessions may involve various degrees of physical exertion and/or contact with other people and equipment and that your group are made aware of this before undertaking any activity. A number of activities have upper and lower weight limits, based around the safety equipment manufacturers recommendations. For this reason those with young children (8 and under) and those with participants over 114kg/18 stone are advised to contact us prior to booking to discuss the suitability of certain activities. We also encourage*
