

# Educational Day Visits & Residentials

**A powerful way to immerse students in a creative learning environment outside the classroom**

As leaders in outdoor learning, our skilled team has a vast range of knowledge, expertise and experience bringing learning to life through a range of tailor made programmes. Our high quality sessions, adapted to your aims and objectives, help young people realise their potential, develop life skills, build character and create memories that last a lifetime.

Hear what past schools have had to say

"Thank you for two very smooth trips this year. We ended up bringing 147 students on 13th, and 182 students on 20th. One of the highlights for me is how your staff work with the students in building up their communications skills and help them to come to decisions about how to tackle things then spending time with them allowing the students to work out how they could have done things better. This fits in so well with what we try to do in school and really helps the students adopt this type of mindset."

"I really enjoyed our stay at Avon Tyrrell as it allowed the group to experience a communal togetherness based around improving life skills while introspectively looking at and exploring our leadership qualities."

"From us as leaders we would like to say a massive thank you! The activities were great especially the water sports, pond dipping and accessible cycling. Thank you to all of the staff across all the activities for their time, patience and good humour with the kids! All of the children had a great time; having fun spending time playing and exploring with friends and trying out new activities. The confidence the children gained is incredible."

We can offer customized programs to suit your needs

"This was my fourth visit and each year it gets better and better. Having access to the lodge from our arrival makes life so much easier for our students. The activity instructors adapted the activities to meet the needs of our students and were lots of fun!"

Our highly qualified staff will ensure children are looked after in our safe and accessible environment

"We always enjoy our stay at Avon Tyrrell. All the staff go the extra mile to make sure everyone enjoys themselves and achieves personal goals, exceeding their own expectations and having a great time."

"What makes our stay so special though are the awesome instructors. They are fantastic with the children. My son loves them all. They are always so friendly, patient, kind and really skilled in what they do. I always have 100% confidence in them."

### What makes Avon Tyrrell unique?

We are committed to being a fully accessible centre and strive to give everyone the same opportunities to experience, learn and develop through adventure and discovery. We understand the needs are different for everyone and for this reason we have specialised staff who are passionate about inclusion to ensure we can discuss your needs and understand how we can best accommodate them.

"We have stayed a few times now and enjoyed the accessible adventures every time! The activities are fun and totally accessible for everyone no matter what your ability. What makes Avon Tyrrell stand out is the amazing team of instructors they have. Nothing is too much trouble for them and they really do build up a rapport with the children and parents!! They all are kind hearted, fun and totally know how to interact with everyone no matter what their condition."
